## ABOUT ME

I'm a Software Engineer and Full Stack Web-Developer from India. Forward-looking Software Engineer with 2+ years background in creating and executing innovative software solutions to enhance business productivity. Highly experienced in all aspects of the software development lifecycle and end-to-end project management, from concept through to development and delivery. Consistently recognized as a hands-on and competent leader, skilled at coordinating cross-functional teams in a fast-paced, deadline-driven environment to steer timely project completion within budgetary constraints.

## EDUCATION

ST. WILFRED'S INTERNATIONAL COLLEGE

Pursuing CS Degree
